

STICK-EM® ELEPHANT SIZE™ GLUE TRAP

- **Heavy-Duty Rat and Mouse Glue Traps**
The Stick-Em® Elephant Size™ Glue Trap is specially designed to catch large rodents like rats, mice, and even snakes.
- **Reliable Rodent Control in Cold Temperatures**
Effective glue traps that perform in a variety of conditions, even as low as 32°F.
- **Oversized for Maximum Rodent Control**
Large surface area makes these traps ideal for capturing multiple pests in one placement.
- **Mess-Free Rodent Management**
Features non-drying, non-flowing glue for easy, no-mess cleanup and effective rodent control.
- **Trusted Since 1932**
From the makers of JT Eaton®, a leader in rodent control solutions for over 90 years.
